# Overall State of the Residual Market

Aggregate for NCCI Plan Jurisdictions\*

## COVID-19 Claims

- Limited direct impact on residual market losses
- Uncertain indirect impact on premium/collectability

Residual market premium and market share are on a gradual decline

Concentration in high hazard groups reflects possible volatility in losses and operating results

The residual market is self-funded in the aggregate, but this varies by jurisdiction

\*From NCCI's *Residual Market Forum 2022*, State of the Residual Market presentation.
