# Top Reclassified Codes in 2023

The screenshot shows the NCCI website interface. At the top, the NCCI logo and tagline 'The Source You Trust' are visible. A navigation bar includes links for 'Data Reporting', 'Industry Information', 'Residuals', 'Underwriting', 'Workers', and 'Insights'. The 'Underwriting' link is highlighted with a blue box. Below the navigation bar, a large banner features the text 'NCCI's Classification Research—Top Reclassified Codes in 2023' over a background image of a warehouse worker. To the right of the banner is a grid of six buttons: 'and Worksheets', 'Rates', 'Gain State Insight', 'Look Up a Class Code or Rate', 'Access Circulars', and 'Access Manuals'. Below the banner, there are three columns: 'PRODUCTS', 'RESOURCES', and 'EXPERIENCE RATING'. The 'PRODUCTS' column lists various services and data. The 'RESOURCES' column lists state advisory resources. The 'EXPERIENCE RATING' column lists experience rating services. A large white box with a blue border is overlaid on the bottom right, containing the title 'CLASSIFICATION' and a list of three items: 'NCCI's Classification Inspection Program - Top 10 Reclassified Codes in 2023', 'NCCI's Classification Inspection Program', and 'Dispute Resolution Process'.
