Premium Bound—The total estimated annual premium on bound applications.

Underwriting Gain/ (Loss)—The financial statement presentation that reflects the excess of earned premium over incurred losses.

VCAP® Service—Voluntary Coverage Assistance
Program is a supplemental program to NCCI's
Workers Compensation Insurance Plan. As part of
NCCI's strategic vision of maintaining and
depopulating the residual market, NCCI's VCAP®
Service redirects coverage opportunities for
employers to voluntary market insurers, which
generally provide coverage at a lower cost. VCAP®
Service provides an additional source for producers
and employers to secure voluntary workers
compensation coverage prior to entering the
residual market for coverage.
