Estimated annual premium and the premium installment schedule are subject to adjustment at preliminary, interim, and/or final audit(s) or when an endorsement is issued. At policy inception, the employer may request a higher minimum deposit percentage, but may not select a deposit percentage lower than the otherwise applicable minimum stated in the deposit and premium installment table.						
The deposit and premium installment table is followed by all assigned carriers. However, the assigned carrier, based on sound underwriting practices, may make appropriate changes to the governing state's premium installment basis that the employer selected. The assigned carrier must provide the reason(s) for such change(s) to the employer and will appropriately document the file.						
Minimum Premium Policies The deposit premium for a minimum premium policy is 100% of the estimated annual premium. Minimum premium policies must be paid in full and are not eligible for premium installments.						
Short-Term Policies The deposit premium for short-term policies with a duration of six months or less is 100% of the estimated premium. The estimated premium is based on the estimated payroll for the policy period, unless otherwise approved by the Plan Administrator. Voluntary Coverage Assistance Program (VCAP® Service): NCCI's VCAP® Service applies to all employers seeking coverage through the residual market in which NCCI is the Plan Administrator, and is offered through NCCI's Residual Market Application Processing System (RMAPS® Online Application Service). Through this free, Internet-based application, voluntary coverage providers have the opportunity to evaluate potential employers that submit applications through the residual market. All assigned risk applications (electronic, phone-in, or mail-in) submitted to NCCI as Plan Administrator are processed through VCAP® Service to determine if they match the preselected criteria specified by a participating voluntary coverage provider. Refer to NCCI's Basic Manual Rule 4-D—Voluntary Coverage Assistance Program (VCAP® Service) for the applicable rules.						
Loss Sensitive Rating Plan: The Loss Sensitive Rating Plan (LSRP) is a mandatory assigned risk retrospective rating plan for those employers that have a workers compensation and employers liability insurance policy(ies) with an LSRP standard premium that equals or exceeds \$250,000 (effective 1/1/12). In addition to the WCIP initial or deposit premium, employers qualifying for the LSRP are required to submit an LSRP contingency deposit to the assigned carrier. The LSRP contingency deposit is calculated by multiplying the LSRP standard premium by 20%. Subject to certain conditions, the LSRP contingency deposit may be paid by Automated Clearing House/Electronic Funds Transfer (ACH/EFT), credit card, personal or business check, or an Irrevocable Letter of Credit (ILOC). Refer to NCCI's Basic Manual Rule 4-C—Loss Sensitive Rating Plan (LSRP) for the applicable rules.

Election/Rejection Under State Law:

Sole proprietors and partners are not automatically covered under Alabama law, but may elect to have themselves come under the provisions of the Act regardless of the number of employees. At the direction of the Alabama Department of Labor, to elect coverage, sole proprietors and partners must file the notice with the carrier assigned to the policy. Payroll must be included for any sole proprietor or partners electing coverage.

Sole proprietors and partners who are in the business of constructing or assisting on-site in the construction of new single-family, detached residential dwellings are included in the Act and are automatically covered under the Act, regardless of the number of employees. These employers in this type of business cannot opt-out of coverage.

Corporate officers and members of limited liability companies are automatically covered under the Act. They may elect to be exempt from coverage by filing written certification of the election with the employer's carrier. The exemption will remain in effect unless properly revoked. Payroll must be excluded for any corporate officers or members of limited liability companies rejecting coverage.

A corporate officer or member of limited liability companies revoking an existing exemption, at any time other than the end of the calendar year, must provide an affidavit verifying that the officer or member has not suffered an employment accident, exposure, or injury from the date of exemption until the date of the written certification of the election to accept coverage. Any corporate officer or limited liability member who fails to execute an affidavit or comply with other terms and conditions of the employer's carrier will not be permitted to revoke a previous exemption until the end of the calendar year.

The revocation of exemption and election of coverage will become effective on the first day of the calendar month following written acceptance of certification of exemption or election of coverage by the carrier.

Note: Members of limited liability companies are treated as corporate officers for premium determination purposes in Alabama.

Failure to file the appropriate notices for election or rejection of coverage in accordance with state laws may result in additional premium being charged and collected by the Plan Administrator or the assigned carrier.

Volunteers

No volunteers are automatically covered under the Act. Volunteer fire departments and rescue squads are not automatically covered under the Act but may elect coverage.

Refer to the Workers' Compensation Division at www.labor.alabama.gov/wc/ for the most current rules, regulations, and forms.

Note: This information applies only to Alabama law. If additional states are to be covered, additional action may be necessary under the applicable state law.
