**MISSOURI CONTRACTING CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM
WORKERS COMPENSATION—PREMIUM CREDIT APPLICATION**

The Contracting Classification Premium Adjustment Program is applicable to qualifying employers engaged in contracting operations.

A premium calculation, which may result in a premium credit for you, will be based on average hourly pay rates for each classification of contracting operations. To determine a possible credit, please return the completed premium credit application, as set out on the reverse side of this letter, to:

NCCI
Customer Service Center
901 Peninsula Corporate Circle
Boca Raton, FL 33487-1362

NCCI will advise us of any premium credit applicable.

If NCCI does not receive this application within 180 days after policy effective date, your premium calculation will not reflect any possible premium credit.

For each applicable classification (both contracting and noncontracting) covering your company's operations in the state of Missouri, report the total payroll (excluding overtime pay), and the corresponding total number of hours worked for the third calendar quarter (July, August, September) of the year preceding the policy effective date as reported to taxing authorities.

Note #1: If you did not engage in contracting operations for the complete quarter, then the last complete calendar quarter prior to the effective date of your workers compensation policy should be used.

Note #2: If you are a new business (no prior operations) or there was no complete quarter of operations prior to the policy effective date, submit the requested information for the first complete calendar quarter following the effective date of your workers compensation policy when available.

Note #3: In the absence of specific records for salaried employees, you should assume that each individual worked forty (40) hours per week.

Please preserve your payroll records that formed the basis for this declaration, because we will be required to verify the reported information in order for any premium credit to be applied.

Thank you for your cooperation.

Sincerely,
