

About NCCI

Founded in 1923, the mission of the National Council on Compensation Insurance (NCCI) is to foster a healthy workers compensation system. In support of this mission, NCCI gathers data, analyzes industry trends, and provides objective insurance rate and loss cost recommendations. These activities—combined with a comprehensive set of tools and services—make NCCI the source you trust for workers compensation information.

DATA

Broadest and deepest workers compensation database in the industry

INSIGHTS

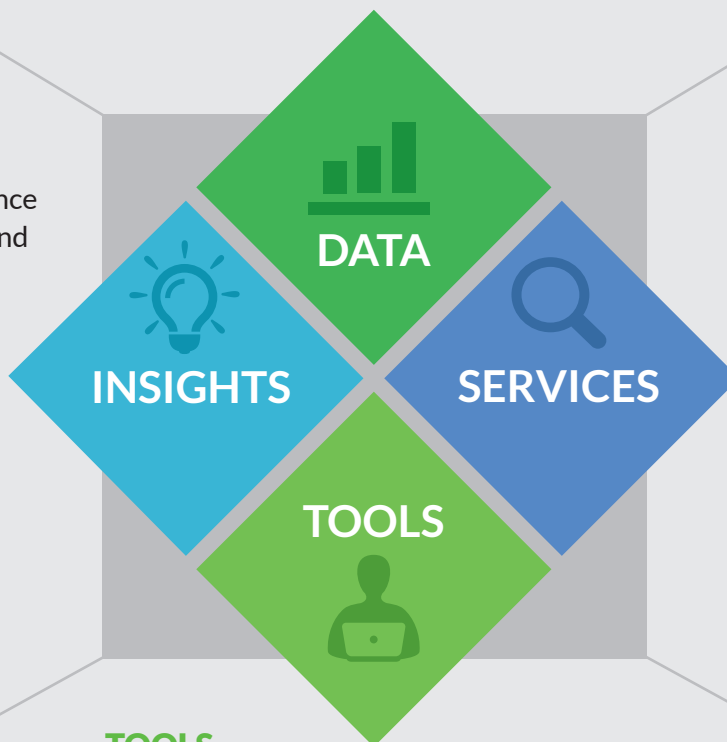

The talent and experience necessary to develop and disseminate important insights from this rich data

SERVICES

A network of solid relationships with carriers, regulators, and other important stakeholders, and the provision of key services supporting the system
