

# August 11, 2021—Actuarial Committee Update

The Actuarial Committee met via Web teleconference on Wednesday, August 11, 2021. The major topics covered at this meeting included:

## **ACT-21-04 2021-2022 Rate Filing Season Update**

Staff highlighted considerations underlying state-specific analyses made thus far in the 2021-2022 rate filing season.

## **ACT-21-05 Econometric Trend Modeling**

NCCI will share the results of its econometric trend research, including identified relationships between changes in employment and workers compensation frequency and loss ratios. The presentation will also introduce two econometric trend models.

## **ACT-21-06 Experience Rating Research Update**

Staff will provide an update on the Experience Rating Plan alternatives that are under consideration as part of the ongoing experience rating research.

Please refer to the Minutes for any pertinent meeting discussion and presentations.
