

September 9, 2026—Actuarial Committee Update

NCCI's Actuarial Committee met via a virtual meeting on Wednesday, September 9, 2026. The primary topics covered at this meeting were:

ACT-26-04 2027 Rate Filing Season Update

NCCI provided an overview of the loss cost/rate filings filed with state regulators as of September 4, 2026 for the 2027 filing season.

ACT-26-05 Average Loss Cost by State

NCCI Staff shared the planned scope of a new exhibit for the *Annual Statistical Bulletin*. Input from the Committee was requested on the planned scope and related considerations.

ACT-26-06 Permanent Partial Disability Study Update

Staff presented an overview of the 2026 update to the Permanent Partial Disability Study. This study utilizes Indemnity Data Call data to refresh NCCI's state pricing models used in legislative analysis.

Refer to the Minutes for any relevant discussion and presentations from the meeting.
