

# May 13, 2020—Actuarial Committee Update

The Actuarial Committee met via Web teleconference on Wednesday, May 13, 2020. The topic covered at this meeting was:

## **ACT-20-03 COVID-19 Model**

Staff explained the white paper and interactive model posted to [ncci.com](http://ncci.com), which assists stakeholders in evaluating the impact of workers contracting COVID-19 on WC system costs, and state action related to compensability criteria for these claims.

Please refer to the Minutes for any pertinent meeting discussion and presentations.
