

August 7, 2019—Actuarial Committee Update

The Actuarial Committee conducted a Web teleconference on Wednesday, August 7, 2019. The topic covered at this meeting was:

Legislative Analysis—Closed Drug Formularies: Initial Impacts From Two States (ACT-19-04)

Two states have recently adopted closed prescription drug formularies. Staff presented background information and discussed the relevant statistics and metrics used to analyze the impact of these closed formularies.

Please refer to the Minutes for any pertinent meeting discussion and presentations.
